

PHASE 5 REQUEST SERVICE / JOB
REQUESTS REPORT

DWELLERS

Find. Buy. Build.

Delivery record for Phase 5 of the Dwellers platform: the Request Service button turned into a real job-request workflow - a central state machine, a six-step wizard with photos, provider responses and event-driven notifications - proven by ten acceptance tests.

DELIVERY STATUS — COMPLETE

Verification 377 checks across five suites, all green

Browser E2E 26 / 26 steps, zero console errors
